NOMADLLER EXPEDITIONS

Annapurna Circuit

A Luxury Himatayan Journey

*“To walk in the Himalayas is to
strip away the noise of the world,
leaving only **the mountain and
the soul.**”*

NOMADLLER PHILOSOPHY

The Departure

DAYS 01 - 03

01 Arrival in Kathmandu

Arrive at Tribhuvan International Airport. Our luxury concierge will transfer you to a premium heritage hotel. Spend the evening reviewing the expedition brief over a welcome dinner.

 HOTEL STAY

 ELEV: 1,400M

02 Kathmandu to Besisahar

Board a premium private coach for a scenic drive along the Trishuli River. The transition from chaotic city to terraced hillsides marks the true beginning of the journey.

 PRIVATE COACH

 6-7 HOURS

03 Besisahar to Upper Pisang

Switch to rugged 4x4 Jeeps to navigate the dramatic cliffside roads. The scenery shifts rapidly from sub-tropical jungle into pine forests and massive alpine rock walls.

 4X4 JEEP

 ELEV: 3,300M

Acclimatization

DAYS 04 - 06

04 Pisang to Manang

Begin the foot-trek into the arid high desert. Passing through the ancient Tibetan village of Bhraka, the colossal peaks of Annapurna II and Gangapurna dominate the skyline.

 15 KM

 6-7 HOURS

05 Manang Rest Day

Critical acclimatization. Choose between a short hike to the turquoise Gangapurna Lake or a steep climb to Ice Lake (4,600m). Rest, hydrate, and prepare the body for the thin air.

 ACCLIMATIZATION

 ELEV: 3,540M

06 Manang to Shree Kharka

Leaving the main trail, we ascend towards the Tilicho region. The landscape becomes a barren lunar expanse of loose scree and profound silence.

 10 KM

 4-5 HOURS

The High Lakes

DAYS 07 - 09

07 Shree Kharka to Tilicho Base Camp

Navigate narrow trails carved into the mountainside. The sheer drops require focus, but the dramatic isolation is breathtaking.

 7 KM

 4-5 HOURS

08 Tilicho Lake Excursion

An early push to Tilicho Lake, one of the highest lakes in the world (4,920m). The glacial blue waters set against massive white peaks is an unforgettable reward.

 15 KM

 ELEV: 4,920M

09 Shree Kharka to Letdar

Return to the main Thorong La route, ascending steadily past alpine meadows and yak pastures as the altitude pushes past 4,200m.

 11 KM

 5-6 HOURS

ELEV: 4,850M

The Approach

DAY 10 • HIGH CAMP

The air grows thinner with every step. Beyond Letdar, the Himalayas begin testing endurance, patience, and spirit. We push steeply up to Thorong Phedi, and if conditions allow, to High Camp.

OXYGEN LEVEL

55%

TERRAIN

Glacial Moraine

THE MOUNTAINS DEMAND RESPECT

At extreme altitudes, arrogance is dangerous. We trek with reverence. We listen to the wind, we respect the ice, and above all, we listen to our bodies. True luxury at 5,000 meters is knowing you are guided by elite experts prioritizing your safety over the summit.

NOMADLLER SAFETY PROTOCOL

5,416M

11 Thorong La Pass

THE HIGHEST POINT

Start before dawn. The cold is piercing, the air is vanishingly thin. As the sun breaks over the Himalayas, the prayer flags of the pass emerge. A moment of pure, emotional triumph.

DISTANCE 18 km

DURATION 10
hrs

TEMPERATURE -10°C to 5°C

The Descent

DAYS 12 - 14

12 Muktinath to Pokhara

Descend rapidly from the arid Mustang region down to the subtropical lakeside paradise of Pokhara via private coach.

 PRIVATE COACH

 HOTEL STAY

13 Pokhara to Kathmandu

A scenic highway journey along the Trishuli River back to the capital. Celebrate the expedition's success with a farewell dinner.

 PRIVATE COACH

 HOTEL STAY

14 International Departure

Private airport transfer for your journey home, carrying the Himalayas in your heart.

EXCLUSIVE ADD-ONS

Policies

ESSENTIAL GUIDELINES

Health & Fitness

- **Physical Condition:** Requires excellent cardiovascular fitness and stamina.
- **Prior Training:** Pre-expedition hiking and endurance training is strongly advised.
- **Altitude Risks:** Trekking above 4,000m involves inherent risks of Acute Mountain Sickness (AMS).

Cancellation Policy

- No refund for initial booking amount.
- **> 30 days prior:** 50% of cost charged
- **15–30 days prior:** 75% of cost charged
- **0–15 days prior:** 100% of cost charged
- **Rescheduling:** Allowed > 1 month prior (10,000 INR fee)

Insurance

Travel insurance is recommended. Insurance should include:

- Medical coverage
- Personal accident coverage
- Air ambulance
- Helicopter rescue services

Important Notes

- **Passport:** Must be valid for at least 6 months.
- **Changes:** Route may change due to weather or safety.
- **Luggage:** Strictly max 15kg per person for porters.
- **Cash:** ATMs are unavailable at high altitude; carry NPR.

Agreements

TERMS & CONDITIONS

Terms & Conditions

- **Booking Confirmation:** Confirmed upon receipt of deposit.
- **Force Majeure:** Not liable for changes caused by natural disasters or unrest.
- **Medical Emergencies:** Evacuation costs are borne directly by the client.
- **Jurisdiction:** Legal matters subject to local jurisdiction.

Risk & Liabilities

- **Inherent Risks:** High-altitude trekking involves altitude sickness, unpredictable weather, and rugged terrain.
- **Liability Release:** Participants must sign an assumption of risk and release form prior to departure.
- **Personal Responsibility:** Guests must follow the guide's safety instructions at all times.

Things to Remember

- **Acclimatization:** Walk slowly ("Bistari, Bistari") and stay extremely hydrated to prevent altitude sickness.
- **Layering:** Temperatures fluctuate drastically from hot valleys to freezing passes. Dress in removable layers.
- **Respect Culture:** Always walk to the left of Mani walls and prayer wheels. Ask permission before photographing locals.
- **Leave No Trace:** Carry a reusable water bottle and bring all plastic wrappers back to Kathmandu.

"Some journeys end at the
destination.
This one stays with you
forever."
